

Stage 1 In the Parking Garage

Scenario: As you step out of the elevator and the door closes behind you, you are confronted by knife wielding thugs. Eliminate the thugs, but don't hurt the innocents.

Course of Fire: Start at P1 hands at sides. Engage T1 and T2 with two rounds from retention in any order. While moving to P2 or P3 engage T3 and T4 with two rounds each in any order. Using cover engage the far target with two rounds. Move to other P and engage the far target using cover with two rounds

12 rounds minimum

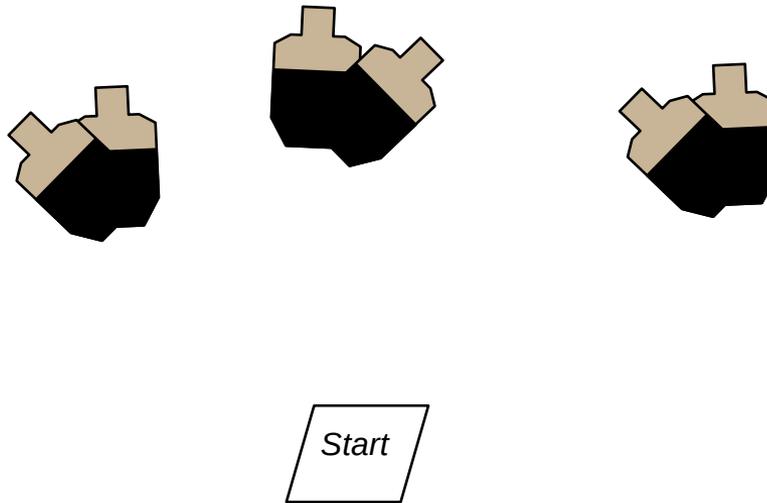

Stage 2 Biker blast

Scenario: You are walking out of a diner on a lonely stretch of highway when three motorcycles come roaring up and surround you. They start threatening you and you tell them you don't want trouble. Then you hear "kill um" and you see weapons. Protect yourself.

Course of Fire: Start with hand in surrender position with elbows above shoulders. At buzzer, draw and engage all threats with 2 rounds TACTICAL SEQUENCE (all threats are considered equal). Each target gets one round before any target gets two rounds.

12 Rounds minimum

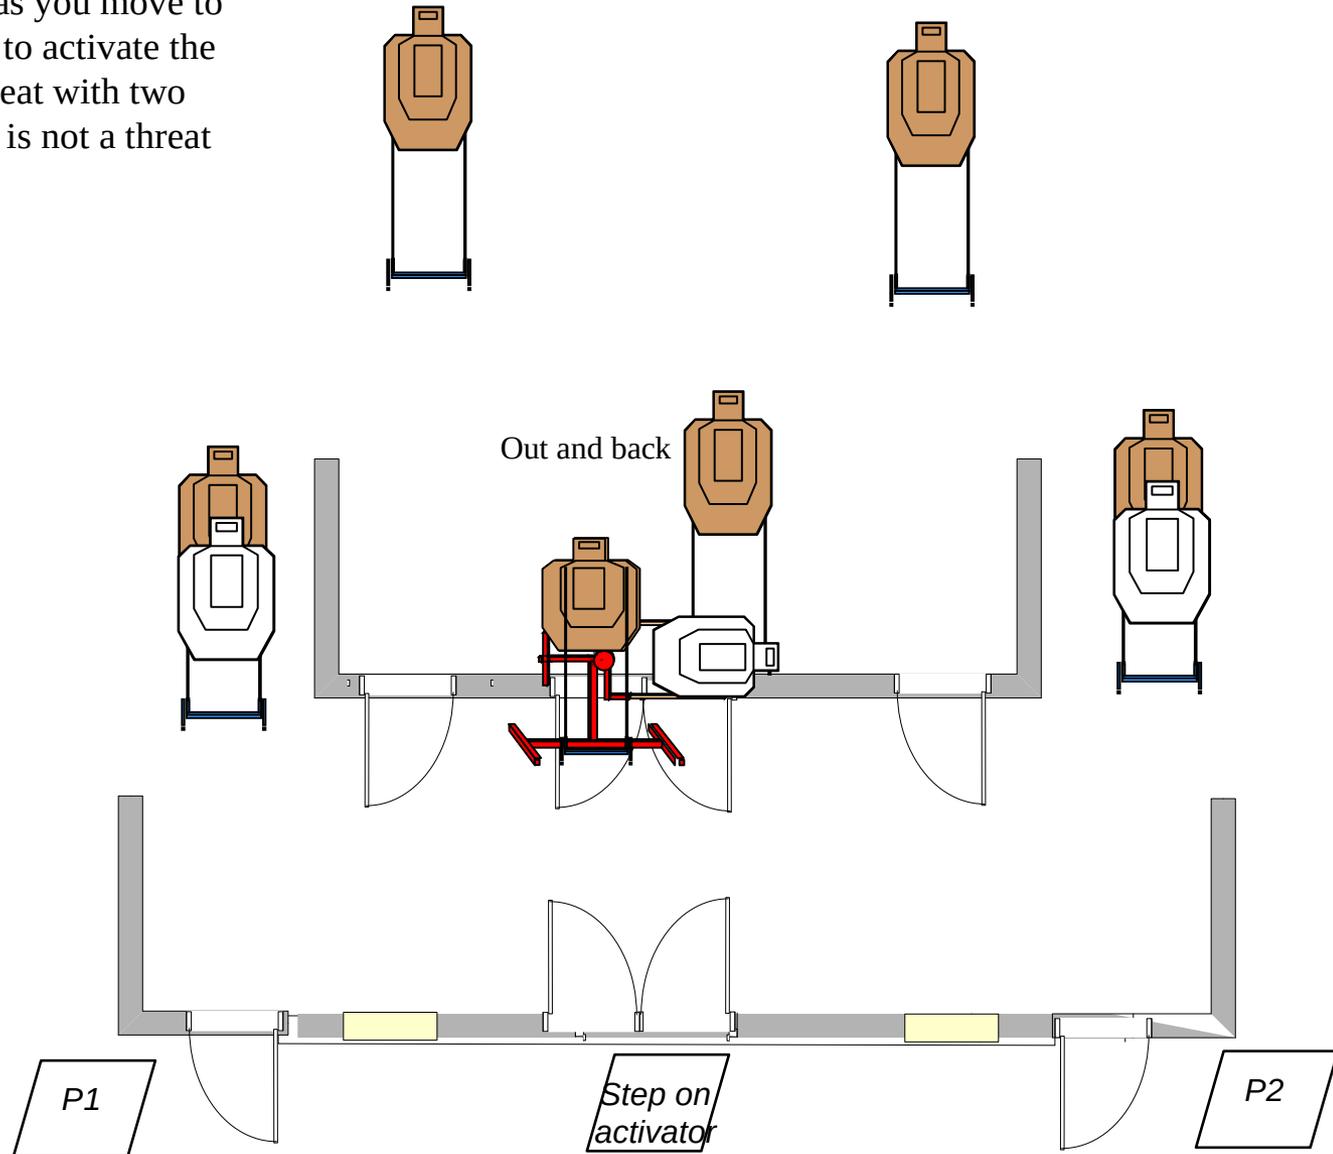

Stage 3 Get Out of My House

Scenario: A criminal gang has infiltrated your house, eliminate the threats and save your family

Course of Fire: Start at P1 or P2. Engage the threats with two rounds each as you move to the other P. Step on the plate to activate the out and back. Engage this threat with two rounds as well. Out and back is not a threat until activated.

12 rounds minimum.

Stage 4 Business Meeting Gone Bad

Scenario: While meeting with your tax accountant you realize he is involved with the Mob. Goons arrive to teach him and you a lesson. Eliminate the threats and save the accountant.

Course of Fire: Start seated at the table, loaded gun on the table. Engage each target with three rounds each. You can remain seated or stand, but, cannot advance. Magazines can be on the table or on your body.

12 Rounds minimum.
